

White Bear Education Complex High School Teacher

The White Bear Education Complex is seeking the following teaching position for the 2017-2018 school year:

- **High School (physical education background would be an asset)**

White Bear Education Complex Vision Statement

- Building our student's life-long success guided by our First Nations' Values and Culture.

White Bear Education Complex Mission Statement

- Embracing our culture and creating strong students. Learning together, maintaining and enhancing the strength in our community. Honouring our Nation as one voice and one mind.

Teachers are role models in our community and are expected to present themselves professionally and communicate effectively.

- The successful candidate will lead the high school mathematics instructional program and support First Nations cultural, languages and community programs. Teachers are expected to work within the policies and procedures of the WBEC. Additional duties and assignments will be determined in consultation with the principal.

Skills and Qualification

The Candidate must possess the following skills:

- Have a valid Saskatchewan Professional "A" or Standard "A" Teaching Certificate; or in process of obtaining the certificate.
- Have demonstrated successful experience as a classroom teacher.
- Have demonstrated the ability to connect with youth in a student-centered learning environment.
- Demonstrate a willingness to be part of a collaborative educational team.
- Ability to work effectively within an environment which includes developing meaningful and productive relationships with students, parents, professionals and community service agencies.
- An understanding of First Nations Languages, culture and traditions is an asset.

To apply please submit via email, your cover letter, resume, three (3) references, a current criminal record check **by 4:30pm on August 28, 2017.**
